Grievance Procedure

A. Definition

1. Grievance

A grievance shall mean only a complaint that there has been an alleged violation, misinterpretation, or misapplication of any of the provisions of this agreement.

2. Aggrieved Person

An aggrieved person is a teacher or teachers or the association who shall have the right to present grievances in accordance with these procedures.

3. Party in Interest

A party in interest is the teacher or teachers making the complaint and any person, including the association or board, who might be required to take action, or against who action might be taken in order to resolve the complaint.

B. Purpose

The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems which may from time to time arise affecting employees. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

C. Procedure

1. Time Limits

The aggrieved person, following the proper procedures shall make formal notification of his/her grievance within a maximum of 15 school days after the occurrence of the event being grieved. The number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The failure of a teacher, teachers, or the Association to act on any grievance within the prescribed time limits shall act as a bar to any within the time limits shall permit the grievance to proceed to the next step. The time limits, however, may be extended by mutual agreement.

2. Processing

It is agreed that any investigation or other handling or processing of any grievance by the grieving teacher shall be conducted so as to result in no interference with or interruption whatsoever of the grieving teacher or of the teaching staff. Exceptions may be made when an employee is called for an appearance by the arbitrator.

3. Year End Grievance

In the event a grievance is filed at such a time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, and, if left unresolved until the beginning of the following school year, could result in harm to a party in interest, the time limits set forth herein may be reduced so that the grievance procedure may be exhausted prior to the end of the school year or

within a reasonable number of days thereafter. Reduction of time limits shall be by mutual agreement.

4. Informal

An attempt shall be made to resolve any grievance in informal, verbal discussion between grievant and his or her principal.

5. Level One - Principal - (Formal)

If the grievance cannot be resolved informally, the aggrieved teacher shall file the grievance in writing, on the form set forth in Schedule A, and file it with the appropriate principal within 15 school days from the date of the occurrence of the event giving rise to the grievance.

The principal shall make a decision on the grievance and communicate it in writing to the teacher within five (5) school days after the receipt of the grievance.

6. Level Two - Superintendent

In the event a grievance has not been satisfactorily resolved at the Level One, the aggrieved teacher shall file, within five (5) school days of the principal's written decision at the second step, a copy of the grievance with the Superintendent. Within ten (10) school days after such written grievance is filed, the aggrieved and the Superintendent or his designee shall meet to resolve the grievance. The Superintendent or his designee shall file an answer within ten (10) school days of the Level Two grievance meeting and communicate it in writing to the teacher and the principal.

7. Level Three - Arbitration

(a) If the aggrieved person or the Association is not satisfied with the disposition of the grievance by the Superintendent, or if no disposition has been made within the time limits, the aggrieved person and/or Association shall meet within five (5) school days of disposition of the grievance to discuss matters of submitting the grievance to arbitration.

(b) If the Association determines that the grievance is meritorious it may submit the grievance to arbitration within five (5) school days.

(c) Within ten (10) school days after written notice to the Board of submission to arbitration, a representative of the Association and a representative of the Board shall meet and attempt to agree upon a mutually acceptable neutral third party who shall be the chairperson of the arbitration panel. In the event that the parties are unable to agree upon a neutral third party to so serve or to obtain a commitment within the specified period, a written request for a list of arbitrators shall be made to the Public Employment Relations Board (PERB) by either party. The list shall consist of seven arbitrators and the parties shall determine by lot which party shall have the right to remove the first name from the list. The party having the right to

remove the first name shall do so within two (2) school days, and the parties shall then alternately strike until one (1) name remains. The person whose name remains shall be the chairperson of the arbitration panel comprised of the chairperson, a representative of the Association, and a representative of the Board.

(d) The panel so selected shall confer with the representatives of the Board and the Association and hold hearing promptly and shall issue its decision not later than fifteen(15) school days from the date of the close of the hearings or, if oral hearings have been waived, then from the date the final statements and proofs on the issues are submitted to them. The panels decision shall be in writing, prepared by the chair person reflecting a majority vote of the panel, and shall set forth the findings of fact, reasoning and conclusions on the issue submitted. The panel shall be without power or authority to make any decision which require the commission of an act prohibited by law or which is in violation of the terms of this agreement. The decision of the panel shall be submitted by the Board and the Association and shall be final and binding on the parties.

D. Observation—Career Teacher

Beyond completion of the Beginning Teacher requirements, as part of the performance review process employees will be formally observed a minimum of once every three years. Informal classroom visits by the principal may occur at any time. If informal classroom observation (Walk Thru) becomes evaluative, a conference will be held and the employee will have the right to submit an explanation, other written statements, or other supportive evidence in response. The employee also has the right to choose the two Walk Thrus that will be added to the evaluation which will become part of the permanent personnel file. If an employee receives a rating of "does not meet the standard" on their formal written evaluation, then such rating can be grieved. The grievance shall be processed through the formal grievance procedures with the date of occurrence of the event being the date of receipt of the evaluation by the employee.
